

Yarram Wind farm project Development Application

Additional requirements by Wellington Shire Council

Find out if the Minister requires an Environmental Effects Statement for the project and that the project is an action that is exempt from or has approval under the Environment Protection and Biodiversity Conservation Act 1999.

Not applicable –

A meeting held, after a site inspection was undertaken, on 15th December 2005 where we were that this requirement was not applicable to the project.

Present at the meeting were:

Senior Flora & Fauna Planner Ms. Susan Taylor of DSE - Department of Sustainability and Environment,

Environmental Planner Ms. Colleen Murphy of Wellington Shire Council

and

Mr. Daniel Gilmore Zoologist of Biosis Research Pty. Ltd - Natural and Cultural Heritage Consultants
